EDUCATION

Master of Science in Health Information Technology, University of Michigan-Dearborn

Bachelor of Dental Surgery, Dr. NTR University of Health Sciences

PROFESSIONAL EXPERIENCE

ToothSure

Jun 2024 to Present

Founding Healthcare Product Manager

- Built Toothsure's clinical learning platform from concept through active development, owning product strategy, execution, and delivery across all workstreams.
- Delivered 80+ digital learning assets through full production cycles in partnership with internal teams and external vendors.
- Reduced project cycle time by 40% and conserved 25% of early-stage budget through AI-augmented workflows and process improvements.
- Drove cross-functional alignment across founders, business, and technical leadership; managed customer expectations and reported outcomes.

G Technologies

Jan 2024 to May 2024

Health Information Specialist

- Validated healthcare data and EMR workflows using Excel and SQL across multiple concurrent projects; diagnosed discrepancies and partnered with cross-functional teams to resolve integrity issues.
- Documented 15+ technical workflows and process improvements to support audit readiness and compliance reporting.
- Tracked project deliverables and communicated status, findings, and recommendations to business and technical stakeholders.

Shiraz Law Firm

Aug 2023 to Dec 2023

IT & Administrative Intern

- Managed client communications and electronic records for 3+ senior partners in a regulated, deadline-driven environment; prioritized assignments with minimal supervision.
- Coordinated scheduling, calendar management, and meeting logistics; maintained version control across 100+ active case documents.

Dr. Arvind's Dental Clinic

May 2021 to Jun 2022

Junior Dentist | Operations Coordinator

- Coordinated clinical operations for 20+ daily patients in a high-volume practice: scheduling, case management, treatment documentation.
- Managed patient health information and education across 1,000+ patient interactions while maintaining regulatory compliance.
